Goals for Professional Growth and Development

- Focuses on teachers as central to student learning, yet includes all other members of the school community;
- Focuses on individual and organizational improvement;
- Respects and nurtures the intellectual and leadership capacity of the ECE community
- Reflects best available research and practice in teaching, learning, and leadership
- Enables teachers to develop further experience in subject content, teaching strategies, uses of technologies, and other essential elements in teaching to high standards;
- Planned collaboratively by those who participate in and facilitate that development
- Driven by a coherent long-term plan
