

HOW TO REGISTER

Child Care Training Consultants, LLC., (CTC) offers IACET accredited courses that provide CEUs, and Registry approved courses for selected states. Courses are offered online, are self-paced and can be taken at your convenience. All courses are designed and developed for Early Child Care Professionals.

To register for our online classes, log on to www.childcaretrainingclasses.org, and select your state. Select the *Core Knowledge Area*. Browse through the selections, click on the course/s you need, and click the “Add to Cart” button, view cart, and make the payment online. The training courses go directly to your account.

You can pay for as many classes as you need, just click on “Continue Shopping”.

- Once you click the ‘View Cart’ button, do NOT close your browser, do NOT hit the back button. WAIT for the checkout page to appear.
- You will be redirected to the checkout page automatically.
- Read the course material, take the quiz, and answer the evaluation questions. (The quiz may be taken multiple times if needed.)
- Certificates are available after passing the quiz with a 100%. Certificates can be found in your account under the **My Courses** tab, completed courses, view certificate.

**Thank you for choosing Child Care Training Consultants, LLC., for your Training Needs!
Learners will be assessed by answering 5-10 questions on a quiz and answering the
evaluation questions.**

**Learners must complete the quiz and receive 100% to obtain a certificate of
completion with Registry Approved Hours and IACET CEUs.**
