Public Non-Discrimination Notice

Simulated Workplace programs must provide information to applicants, participants, beneficiaries, and other interested parties regarding the rights of individuals. Methods of providing this information include publication in handbooks, manuals, pamphlets, application materials, posters, etc. Simulated Workplace site's Public Non-discrimination Notice should be found on a variety of publications including brochures, applications, catalogs, handbooks, job announcements, posters, recruiting materials, websites, school newspapers, etc. It also is required that a nondiscrimination notice be placed in local newspapers prior to the start of school.

Child Care Training Consultants, LLC is responsible for the following equity requirement: "Prior to the beginning of each school year, recipients must advise students, parents, employees and general public that all career and technical educational opportunities will be offered regardless of race, color, national origin, sex or disability." This must be issued annually in not only local newspapers but also institution newspapers and other publications. The annual notice must include a brief description of program offerings and admission criteria. Also, a plan must be in place for disseminating the notice in any language other than English and to persons with visual impairments. Programs should establish reasonable codes of conduct (refer to WVBE Policy 4373) that prohibit disruptive or inappropriate behaviors and may apply these uniformly to all students (even when the effect is to disqualify a person with a disability).
